

BY SUBJECT

A

Abuse

- Abuse among pregnant adolescents (Curry, Doyle, Gilhooly), 144
- Preventing abuse during pregnancy (McFarlane, Gondolf), 22

Adolescents

- Abuse among pregnant adolescents (Curry, Doyle, Gilhooly), 144
- African American teen mothers' perceptions of parenting (Lipman), 341
- Personal and family factors associated with quality of life in adolescents with diabetes (Lipman), 341
- School-based intervention to promote coping in rural teens (Lamb, Puskar, Sereika, Corcoran), 187
- Walking a thin line: managing care for adolescents with anorexia and bulimia (Muscari), 130

Advanced Cardiac Life Support

- Should perinatal nurses be required to complete an advanced cardiac life support course? (Simpson), 178

Alternative/Complementary Therapies

- Caring and healing in the 21st century (Ward), 210
- On chaos, wholeness, and long-standing values (editorial) (Sharts-Hopko), 11

Analgesia/Anesthesia

- Caring for women with epidurals during the "laboring down" technique (McCartney), 274
- Immune alterations associated with epidural analgesia for labor and delivery (Fehder, Gerraro), 292
- Sedating and monitoring pediatric patients (Rayhorn), 76
- Should ability to pay influence provision of epidural analgesia/anesthesia to women in labor? (Simpson), 232

Asthma

- An evaluation of the effectiveness of an asthma day camp (Meng, Tiernan, Bernier, Brooks), 300

B

Benign Congenital Hypotonia

- Congenital hypotonia is not benign (Cohen), 93

C

Children

- Congenital hypotonia is not benign (Cohen), 93
- Expanded health care coverage for needy children (Rhodes), 106
- Pharmacokinetics in pregnant women and children (Stevenson), 157
- Response of children to disaster (Seidman, Hutchison, Buckner, Myers, Miller-Boyle, MacRobert, Heath), 37
- Computers. See Internet; Networking
- Congenital Hypotonia
- Congenital hypotonia is not benign (Cohen), 93

Conscious Sedation

- Sedating and monitoring pediatric patients (Rayhorn), 76

Continuing Education

- Perinatal hepatitis B: update and recommendations (Corraro), 246
- Preventing abuse during pregnancy (McFarlane, Gondolf), 22
- Reducing preterm and low birthweight births (Moore, Freda), 200
- Sedating and monitoring pediatric patients (Rayhorn), 76
- Should perinatal nurses be required to complete an advanced cardiac life support course? (Simpson), 178
- Use of combination antiretroviral therapy in pregnant women with HIV disease (Newshan, Hoyt), 307
- Walking a thin line: managing care for adolescents with anorexia and bulimia (Muscari), 130

D

Depression

- School-based intervention to promote coping in rural teens (Lamb, Puskar, Sereika, Corcoran), 187

Depression, Postpartum

- Maternal depression effects on infants and interventions (Tiedje), 341
- Proactive nursing: The evolution of a task force to help women with postpartum depression (Straub, Cross, Curtis, Iverson, Jacobsmeier, Anderson, Sorenson), 262

Diabetes Mellitus

- Personal and family factors associated with quality of life in adolescents with diabetes (Lipman), 341

Drug Abuse. See Substance Abuse

Drug Therapy

- Advantages of the new progestins (Stevenson), 56
- Ceftriaxone sodium (Stevenson), 272
- Emerging drug resistance (Stevenson), 216
- Pharmacokinetics for the MCH nurse (Stevenson), 112
- Pharmacokinetics in pregnant women and children (Stevenson), 157
- Teratogens (Stevenson), 333
- Use of combination antiretroviral therapy in pregnant women with HIV disease (Newshan, Hoyt), 307

E

Eating Disorders

- Walking a thin line: managing care for adolescents with anorexia and bulimia (Muscari), 130

Editorial

- Challenging ourselves (Freda), 287
- Change is good (Freda), 9

- On chaos, wholeness, and long-standing values (Sharts-Hopko), 11

Controversy-it's a good thing

- (Freda), 9
- The new networking (Freda), 120
- Our own science (Freda), 231
- Toward evidence-based practice (Freda), 177

Emergency Care

- Being prepared for a pregnant Code Blue (Fillion), 178
- Should perinatal nurses be required to complete an advanced cardiac life support course? (Simpson), 178

Evidence-Based Practice

- African American teen mothers' perceptions of parenting (Lipman), 341
- Alcohol use and pregnancy: improving identification (Tiedje), 341

- Bed rest from the perspective of the high-risk woman (Patterson), 166

- Behavioral state activity during nipple feedings for preterm infants (Patterson, Bakewell-Sachs), 279

- An early labor assessment program: a randomized controlled trial (Patterson, Bakewell-Sachs), 278

- Early postpartum discharge: how are mothers managing? (Patterson, Bakewell-Sachs), 278

- The effect of discharge pack formula and breast pumps on breastfeeding (Patterson), 166

- The effect of environment on body-site temperature in full-term neonates (Patterson, Bakewell-Sachs), 280

- Effect of pelvic muscle exercise on transient incontinence during pregnancy and after birth (Patterson), 222

- Enhancing early discharge with home follow-up: a pilot project (Patterson, Bakewell-Sachs), 279

- Expectant fathers: influence of perinatal education on stress, coping and spousal relations (Patterson), 167

- Genetic and environmental influences on cardiovascular disease risk factors in adolescents (Hayman), 224

- Improved birth outcomes associated with enhanced Medicaid prenatal care in drug-using women infected with HIV, 341

- Knowledge and attitudes of registered nurses toward perinatal substance abuse (Patterson), 224

- Leisure time activities of elementary school children, 167

- Maternal depression effects on infants and early interventions (Tiedje), 341

- A nurse-managed smoking cessation intervention during pregnancy (Patterson), 222

- Nurses' practices and perceptions of family-centered care (Lipman), 167

One-year follow-up of nutrition education for hypercholesterolemic children (Hayman), 223
 Outcomes of nursing intervention for siblings of chronically ill children (Lipman), 167
 Parents' behaviors, knowledge, and beliefs related to unintentional firearm injuries among children and youth in the southwest (Lipman), 341
 Personal and family factors associated with quality of life in adolescents with diabetes (Lipman), 341
 A randomized trial of nurse intervention to reduce preterm and low-birthweight births (Patterson, Bakewell-Sachs), 279
 The significance of research bias for evidence-based practice (Kachoyanos), 334
 Social support, knowledge of infant development, and maternal confidence among adolescent and adult mothers (Hayman), 223

F

Family Adaptation

Guiding mothers of high-risk infants in obtaining social services (Logsdon, Davis), 195

Fetal Alcohol Syndrome

Alcohol use and pregnancy: improving identification (Tiedje), 341

H

Health Insurance

State children's health insurance program (Rhoades), 51

Health Insurance

Expanded health care coverage for needy children (Rhoades), 106

HIV Infection

Improved birth outcomes associated with enhanced Medicaid prenatal care in drug-using women infected with HIV, 341
 Use of combination antiretroviral therapy in pregnant women with HIV disease (Newshan, Hoyt), 307

Holistic Nursing

Caring and healing in the 21st century (Ward), 210
 On chaos, wholeness, and long-standing values (editorial) (Sharts-Hopko), 11

Home Care

Care paths: a new approach to high-risk maternal-child home visitation (Lowry, Hays, Lopez, Hernandez), 322

Hormone Therapy

Advantages of the new progestins (Stevenson), 56

I

Infant, Low Birthweight

Reducing preterm and low birthweight births (Moore, Freda), 200

Infant, Newborn

Expanding the newborn screen: terrific or troubling (Kunk), 266
 Perinatal hepatitis B: update and recommendations (Corrarino), 246
 Two contrasting NICU environments (Zahr), 28

Infant, Premature

Confronting the myths (Freda), 107
 Guiding mothers of high-risk infants in obtaining social services (Logsdon, Davis), 195
 Maternal concerns about parenting prematurely born children (Miles), 70

Reducing preterm and low birthweight births

(Moore, Freda), 200
 Reflections from a neonatal nurse: a philosophical dialogue (Hamilton), 151

Insurance. See Health Insurance; Liability Insurance

Intensive Care Units, Neonatal

Two contrasting NICU environments (Zahr), 28

International Nursing

International nursing and world health (Freda), 329

Internet

The new networking (Freda), 120
 The new networking (McCarthy), 159
 Surfing the net (Lybecker), 17

L

Legal Issues

Expanded health care coverage for needy children (Rhoades), 106
 A legal nightmare-Denver nurses indicted (Kowalski), 125

Should cameras be allowed in the delivery room? (Cesario), 87

Should nurses purchase their own professional liability insurance? (Simpson), 122

State children's health insurance program (Rhoades), 51

Liability Insurance

Should nurses purchase their own professional liability insurance? (Simpson), 122

M

Malpractice. See Legal Issues

Managed Care

On chaos, wholeness, and long-standing values (editorial) (Sharts-Hopko), 11
 Nursing research in today's downsized short-staffed environment (Kachoyanos), 217

MCN Practical Hints

Acknowledgment of infant loss (Iadarola), 108
 The perfect armboard (Hann, Schwing), 108

Midwifery

The rise, fall, and rise of nurse-midwifery in America (Capitulo), 314

Mother-Child Relations

Maternal concerns about parenting prematurely born children (Miles), 70

N

Neonatal Nursing

Expanding the newborn screen: terrific or troubling (Kunk), 266
 Perinatal hepatitis B: update and recommendations (Corrarino), 246

Two contrasting NICU environments (Zahr), 28

Networking

The birth ball-are you using it in your practice setting? (McCartney), 218
 Caring for women with epidurals during the "laboring down" technique (McCartney), 274
 Electronic networking can influence practice: selected examples (McCartney), 335

The new networking

(editorial) (McCartney), 159

Nursing Diagnosis

Is there a future for nursing diagnosis? (Simpson), 290

Nursing History

The rise, fall, and rise of nurse-midwifery in America (Capitulo), 314

Nutrition

Prevalence of feeding tube placement errors and associated risk factors in children (Ellett, Maahs, Forsee), 234
 Walking a thin line: managing care for adolescents with anorexia and bulimia (Muscari), 130

O

Obstetrical Nursing

Acknowledgment of infant loss (Iadarola), 108
 Bed rest in complicated pregnancy (Schroeder), 45
 Caring for women with epidurals during the "laboring down" technique (McCartney), 274
 Confronting the myths (Freda), 107
 Immune alterations associated with epidural analgesia for labor and delivery (Fehder, Gerraro), 292
 Preventing abuse during pregnancy (McFarlane, Gondolf), 22
 Reducing preterm and low birthweight births (Moore, Freda), 200
 The rise, fall, and rise of nurse-midwifery in America (Capitulo), 314
 Rituals of placenta disposal (Schneiderman), 142
 Should ability to pay influence provision of epidural analgesia/anesthesia to women in labor? (Simpson), 232
 Should cameras be allowed in the delivery room? (Cesario), 87
 Should perinatal nurses be required to complete an advanced cardiac life support course? (Simpson), 178
 Women who undergo prenatal diagnostic testing due to elevated maternal serum alpha-fetoprotein screening (Alteneider, Kenner, Greene, Pohorecki), 180

Oral Contraceptives

Advantages of the new progestins (Stevenson), 56

P

Patient Education

Can patient education help mothers of sick children cope? (Freda), 52
 Confronting the myths (Freda), 107

Pediatric Nursing

An evaluation of the effectiveness of an asthma day camp (Meng, Tiernan, Bernier, Brooks), 300
 Caring and healing in the 21st century (Ward), 210
 Congenital hypotonia is not benign (Cohen), 93
 Maternal concerns about parenting prematurely born children (Miles), 70
 Personal and family factors associated with quality of life in adolescents with diabetes (Lipman), 341

Pharmacokinetics in pregnant women and children (Stevenson), 157
Prevalence of feeding tube placement errors and associated risk factors in children (Ellett, Maahs, Forsee), 234
Response of children to disaster (Seideman, Hutchison, Buckner, Myers, Miller-Boyle, MacRobert, Heath), 37
Sedating and monitoring pediatric patients (Rayhorn), 76
Perinatal Nursing
Expanding the newborn screen: terrific or troubling (Kunk), 266
Perinatal hepatitis B: update and recommendations (Corraro), 246
A review of research instruments for use during the postpartum period (Beck), 254
Personnel, Unlicensed Assistive
Getting it right from the beginning (McGregor), 65
Pregnancy
Abuse among pregnant adolescents (Curry, Doyle, Gilhooley), 22
Acknowledgment of infant loss, 108
African American teen mothers' perceptions of parenting (Lipman), 341
Alcohol use and pregnancy: improving identification (Tiedje), 341
Bed rest in complicated pregnancy (Schroeder), 45
Being prepared for a pregnant Code Blue (Fillion), 178
